## Mysteries of Rheumatism Practically Solved

Action in the Tissues of a Remarkable Antidote

S. S. S. is a Regular Wizard in Driving Out Rheumatism.

Rheumatism is often the effect of some other blood affliction that has left its impress in the joints, muscles and mucous coverings of the body. It works into the tissue cells, those tiny, little bodies in which nutrition goes on. And it is here that a most remarkable medicine known as S. S. S. does its most active and most effective work.

Its action is marvelous. Bed-ridden rheumatics get on their feet as if by magic. That cold, clammy sensation that made you hug a red hot stove is gone in a twinkling. That excruciating pain that made a feather lay as heavy as a ton of coal on the skin is gone. You get up and dance with glee.

Your rheumatism is gone—absolutely! It is an actual logical fact, that Swift's Suro Specific flushes your blood, gives your entire blood circulation a fine thorough bath. It just naturally and in a twinkling brigades every atom in your

body. It rushes into every cell, causes every bone, muscle, ligament, tendon, mucous surface and every nerve to thrill with freedom, with health, with new-found springiness.

And best of all, S. S. S. though a powerful searching, overwhelming enemy to pain and the causes of rheumatism is as pure as the dew on a peach blossom, as powerful as the heroic works of nature, as searching as the peremptory demand of the most exact science.

Ask for and insist upon getting S. S. S. the world's cure for rheumatism.

For private, personal advice on stubborn chronic rheumatism write at once to the Swift Specific Co., 203 Swift Building, Atlanta, Ga. Their medical department is famous on all blood diseases, and is equipped to make personal blood tests, approved by the highest medical authorities. Get a bottle of S. S. S. today. ### Thought for the Day

A wise rule of life is to get all the good, joy, and all the happiness, we can out of life as it passes. Take the days as they come, and get as much out of them as we can. The happier men are the better God is pleased. And happiness arises chiefly by catching its opportunities ideal as they arise, not by forming ideal conditions under which alone we fancy we can be happy.—Exchange.

Mrs. Stovall Entertained at Rook for Misses Dean

Misses Helen and Dorothy Dean, attractive visitors from Gainesville, Ga., were the guests of honor at a large and attractively appointed progressive rook party this afternoon, given by Mrs. Mamie Howse Stovall at the home of her mother, Mrs. Frances Howse on Oklawaha avenue.

The residence was transformed into a mid-summer flower garden, hundreds of black-eyed susans, yellow daisies and sun-flowers, with many potted plants being used to develop the garden effect. The French windows in the spacious reception hall and library and wide, double front doors all giving access to the broad veranda surrounding the veranda on three sides, were opened wide, making the piazza and the rooms, with their beautiful floral decorations an inviting and cool scene for the guests to enjoy the games of rook which were played at sixteen tables.

Mrs. Stovall and the Misses Dean received informally on the front veranda. Miss Dean wore a most becoming costume of white crepe de chene with a pink picture hat and Miss Dorothy Dean looked particularly lovely wearing white net, with pink satin trimmings and leghorn hat. Assisting the hostess in receiving and in entertaining her guests were her mother and sister, Mrs. J. C. B. Koonce.

Punch was served from a prettily appointed table near the front steps by Misses Marguerite Porter and Annie Atkinson. At the conclusion of the games a refreshing ice course was served by four lovely girls, Misses Stella and Nettie Camp, Blair Woodrow and Martha Kate Renz.

Scores were marked by Misses Eugenia Fuller and Louise Gansby, and the cards on which tallies were kept were adorned with summer girls in sepia. To the player scoring highest a raffia work basket was given and as a memento of the happy occasion the honorees received silver filigree scent bottles engraved with their respective maiden names.

Besides those assisting the following young ladies were invited to enjoy the charming hospitality of the hostess: Misses Catharine, Mary Harriet and Lois Livingston, Franklin Harvey, Ethel Hayercraft, Elsie Meade, Sara Gross, Martha Blakeney, Dorothy Schreiber, Sidney Harold, Musie Bullock, Virginia Sistrunk, Dorothy and Marion Long, Adele Bittinger, Helen Brown, Mabel Meffert, Marie von Engelken, Kathleen and Margaret Jackson, Rebecca and Mamie Counts, Ellen Clarkson, Rexie Todd, Nina Camp, Alice Bullock, Collie Clark, Marie Haile, Blanche Whaley, Caroline Harris, Sue Moore, Mae Stein, Sarah Pearl Martin, Hester Dewey, Theo and Gladys Wallis, Nellie Beckham, Nellie Gottlieb, Lois Dame, Mary McDowell, Frances Tarver, Susie Lou Ellis, Katherine and Mildred Pyles, Hope Robinson, Gertie Peyser, Edith Williams, Gladys Martin, Irma Blake, Ellen Stripling, Louise Bouvier, Ruth Rentz, Gladys Drake, Cecile Downs, Margaret Wade, Edna Ayer, Daisy Bell, Irene Tompkins, Dora Pelot.

## All Babies Destined to Great Achievement

To be born is to be great. For there are possibilities in every tiny human infant. And for this reason every one should remember that whatever is done to aid the mother, to relieve her of distress during her trying months, will surely be of marked benefit to the child.

Among the sterling aids is a reliable, natural remedy known as "Mother's Friend." It is what is called an embrocation. It is applied to the abdominal muscles, gently rubbed in by your own hand and the effect upon the nerves is such that they adjust themselves to the process of expansion so that pain from this source is almost eliminated. Women who use "Mother's Friend" refer to the absence of morning sickness, they are relieved of a great many minor distresses, all apprehension disappears and those peculiar nervous "dazes" no longer disturb the nights. It is well named "Mother's Friend." Get a bottle today of any drug store. Then at once write for a most entertaining and instructive book for all prospective mothers. ### Lincoln Among Other Men.

Some years ago a series of pictures was printed showing Lincoln in many attitudes, either alone or in company with statesmen or military men in Washington or in camp. Attention was called by the writer, who had assembled the pictures, to the singular isolation and dignity of Lincoln when taken with any group of men. They, almost without exception, showed that they were conscious of observation, attitudes were studied, and the effort to look well in the picture was often evident. No matter in what company he was, the president seemed not to be conscious either of the artist, of himself or of the men who surrounded him. He stood or sat alone, as if he were an impersonal figure representing native strength and unique sublimity of character.—Christian Register.
